

Inclusion Week 2023

February 27th-March 3rd

This year's 'Spread the Word >> Inclusion' week will take place February 27th - March 3rd. This is a week to focus on promoting inclusion within your school and community. In collaboration with Our Youth Activation Committee (YAC) we will be creating spirit week content to spread the word of inclusion all over Northern California!

2023 Theme - *Going All In(clusive)*

RESPECT Banner Signing:

Special Olympics Northern California will provide RESPECT banners for any schools interested in having their students sign the banner to pledge to show respect. This can be a great way to end a lesson, and afterwards you can proudly display the banner anywhere in your school!

[We have a virtual banner for all students, staff, etc. to sign as well!](#)

Inclusion Posters:

Special Olympics Northern California will also provide sets of inclusion posters to any schools interested in displaying them on their campus. One set of these poster series displays encouraging, inclusive messages and images. The second poster series highlights different inclusion advocates and heroes that have played major roles in the disability awareness movement.

Caring Community Inclusion Series:

Inclusion Heroes Series:

* poster series provided by Special Olympics Minnesota

* Please contact your Special Olympics Area Manager if you are interested in receiving any of the previously listed signage or have any additional questions.
