

Unified vs. Traditional

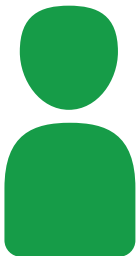

Below are a few definitions and a key that will help you determine if your team is a Unified or Traditional team. Please keep this in mind when registering your team!

Traditional Athlete:
Student receiving *Special Education* services participating in Special Olympics event alongside other students receiving special education services.

Unified Athlete:
Student receiving *Special Education* services participating in Special Olympics event with their general education peers.

Unified Partner:
Student in *General Education* participating in Special Olympics event with their peers receiving special education services.

Traditional team (All students receiving Special Education services)

Unified team (Combination of students receiving Special Education services & General Education students)
